

# JAMES A BROTHER OF JESUS

I, James, am writing this letter. I serve God and the  
Lord Jesus Christ.

I am sending this letter to you, the 12 tribes that are  
scattered among the nations.

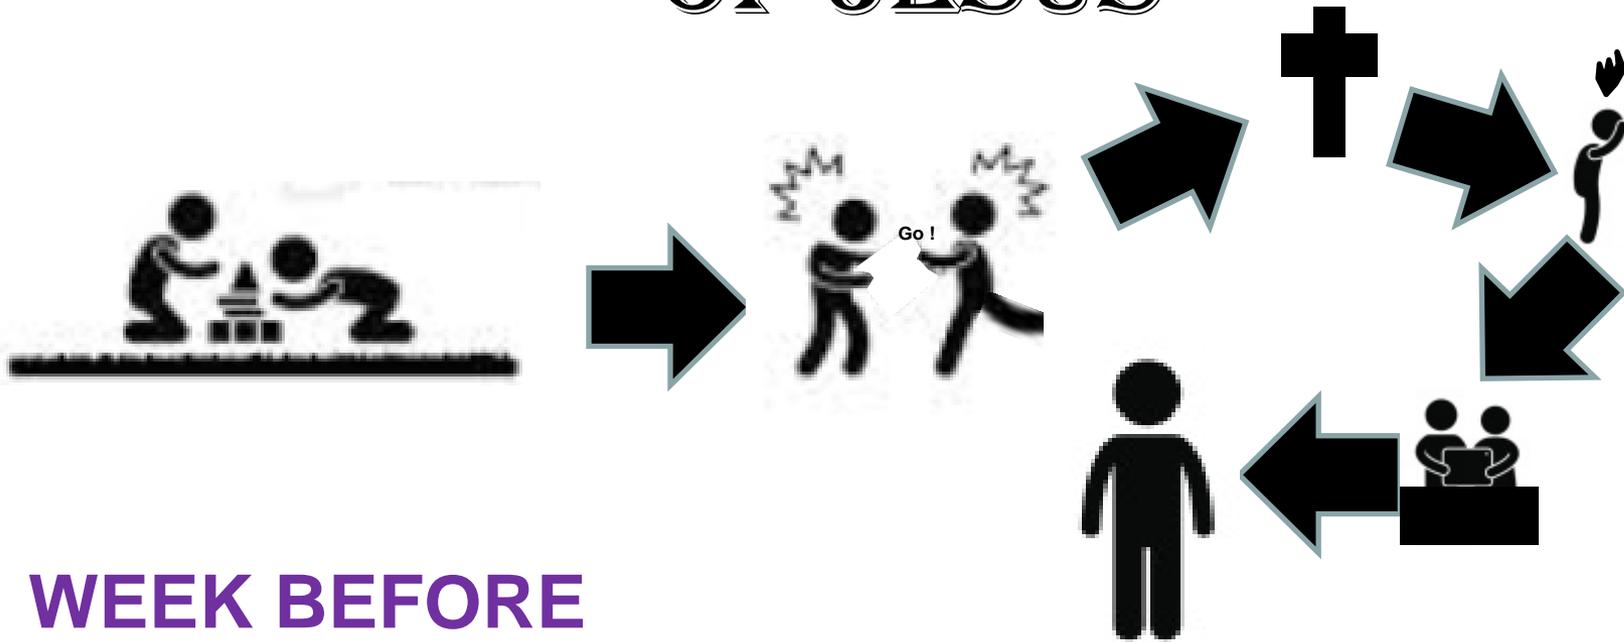

Greetings.

Consider it pure joy, my brothers and sisters,  
whenever you face trials of many kinds, because  
you know that the testing of your faith produces  
perseverance.

Let perseverance finish its work so that you may  
be mature and complete, not lacking anything.

# JAMES A BROTHER OF JESUS

If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault, and it will be given to you.

But when you ask, you must believe and not doubt, because the one who doubts is like a wave of the sea, blown and tossed by the wind.

That person should not expect to receive anything from the Lord. Such a person is double-minded and unstable in all they do.

Wisdom

**In western culture the wise bird is the owl and how silly is that.**

**The owl has a tiny brain.** It's the eyes that make it seem wise.

Big eyes impress people.

## Wisdom

**This is not wisdom, but gut feel interpreted as wisdom.**

We like babies with big eyes and owls  
have big eyes as well.

The people in the movie business know  
this as well. That's why E.T. had such big  
eyes.

We naturally like bigger eyes.

# Holy Spirit provides real WISDOM to us!

**Real wisdom is sensible choices in daily life.**

It's something we gain from living and following God's advice.

It is not easily obtained and really is the focus of making choices and learning among many choices which is the correct outcome.

# Holy Spirit provides real WISDOM to us!

**This is why as Christians we have an easier path to wisdom.**

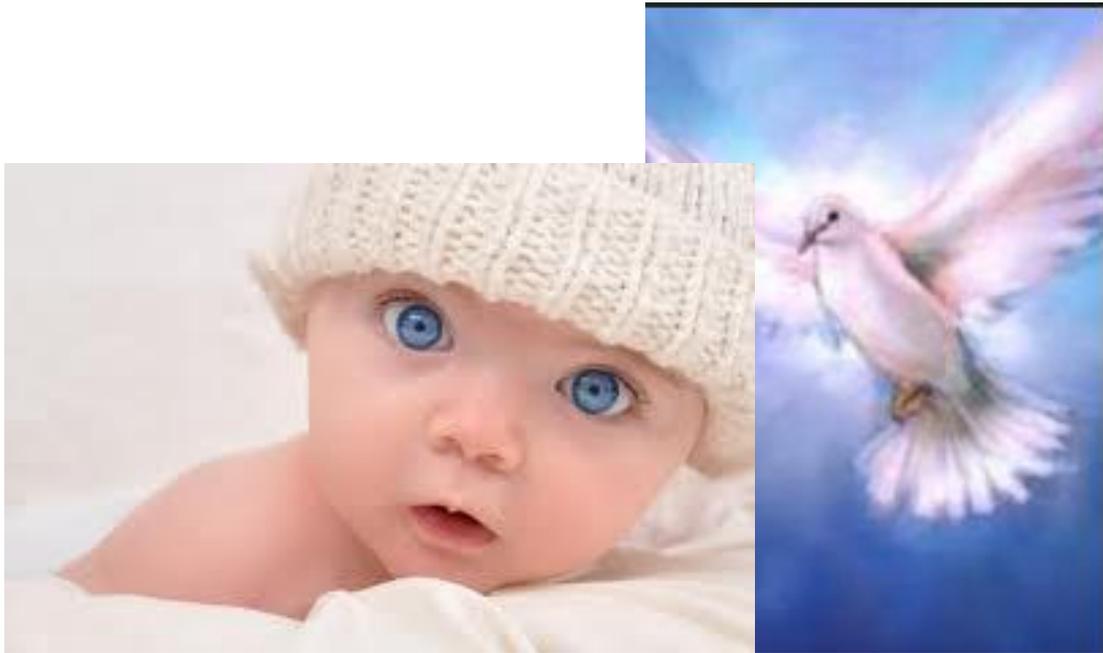

Let's assume there is a supreme God of the universe who knows everything. That means he knows all the right paths to decisions and why they should be chosen.

Then, this God may be interested in letting the little created beings know the right decisions, or not, right?

Assuming God would want to communicate the best directions, wouldn't it be up to the little created beings to follow them or not?

If they decided to ignore God's wisdom, who is to blame? Them or God?

# Holy Spirit provides real WISDOM to us!

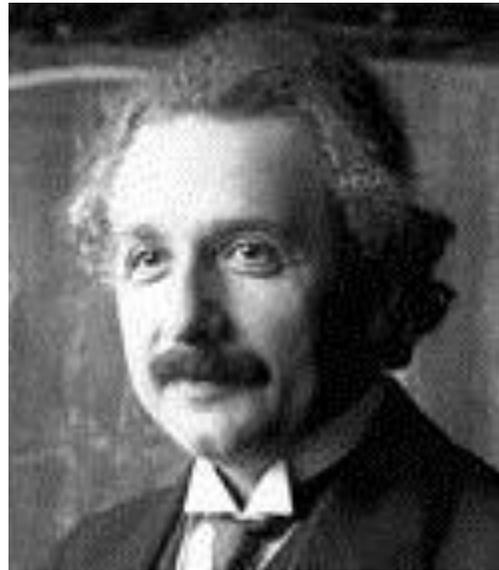

**God gives out wisdom generously.** It doesn't depend on our IQ or the size of our eyes.

**It depends on believing Jesus is the son of God and following his advice,** in living his way, in enjoying his spiritual gifts for our lives.

*How do WE ask God for WISDOM?*

*When did you LAST ask God for wisdom?*

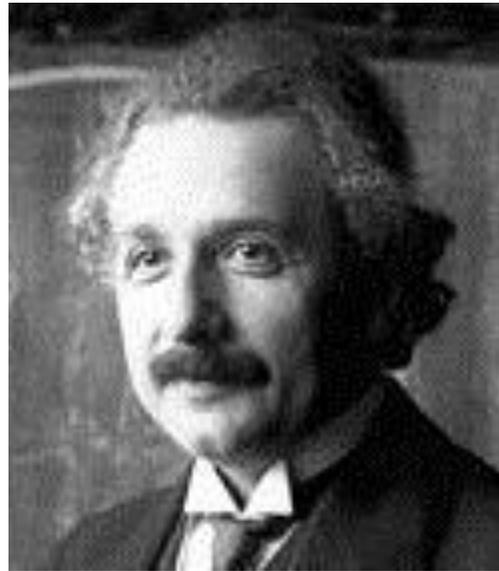

Who's this?

**“Wisdom is not a  
product of schooling  
but of the lifelong  
attempt to acquire it”  
~ *Albert Einstein***

How long does he think it takes to get wise?

Albert says...

**Wisdom is not gained by schooling.**

Many of us think lots of school or knowing smart people we make us wiser.

Albert says that's not how you get it!

# wis·dom (w z d m)

*n.*

1. The ability to discern or judge what is true, right, or lasting; insight.
2. Common sense; good judgment: *"It is a characteristic of wisdom not to do desperate things"* (Henry David Thoreau).
3.
  - a. The sum of learning through the ages; knowledge: *"In those homely sayings was couched the collective wisdom of generations"* (Maya Angelou).
  - b. Wise teachings of the ancient sages.
4. A wise outlook, plan, or course of action.
5. **Wisdom Bible** Wisdom of Solomon.

The bible says this:

Proverbs 1:5-7 (NIV)

*How can fear of the  
LORD be the beginning  
of wisdom?*

let the wise listen and add to their learning,  
and let the discerning get guidance—  
for understanding proverbs and parables,  
the sayings and riddles of the wise.

**The fear of the LORD is the beginning of  
knowledge,**

but fools despise wisdom and instruction.

(Note that a fool in this context refers to a morally deficient person.)

God is before all things, created all things and  
sustains all things. **Respect for God is the start  
of wisdom.**

**Fear grows from respect and understanding consequences, doesn't it?**

**We need to respect God and understand the consequences of mocking the God of the universe.**

*So where do we go from there?*

Well God once asked a man who was an ancient King something. Here is what was said:

At Gibeon the LORD appeared to Solomon during the night in a dream, and God said, "Ask for whatever you want me to give you." 1 Ki 3:5

Solomon wanted wisdom, a discerning heart.

God says : I will do what you have asked. **I will give you a wise and discerning heart**, so that there will never have been anyone like you, nor will there ever be.

**So here is the ultimate wise man!**

The reason I point this out is **he had a book of the bible written about how to gain wisdom**. It is **proverbs!**

*How many days CAN you get in a month?*

There are 31 chapters in PROVERBS and that is interesting because there is a maximum of 31 days in a month

So, if we want to get wisdom, perhaps **reading one chapter a day, and repeating it for a year** would mean we read these deep words twelve times.

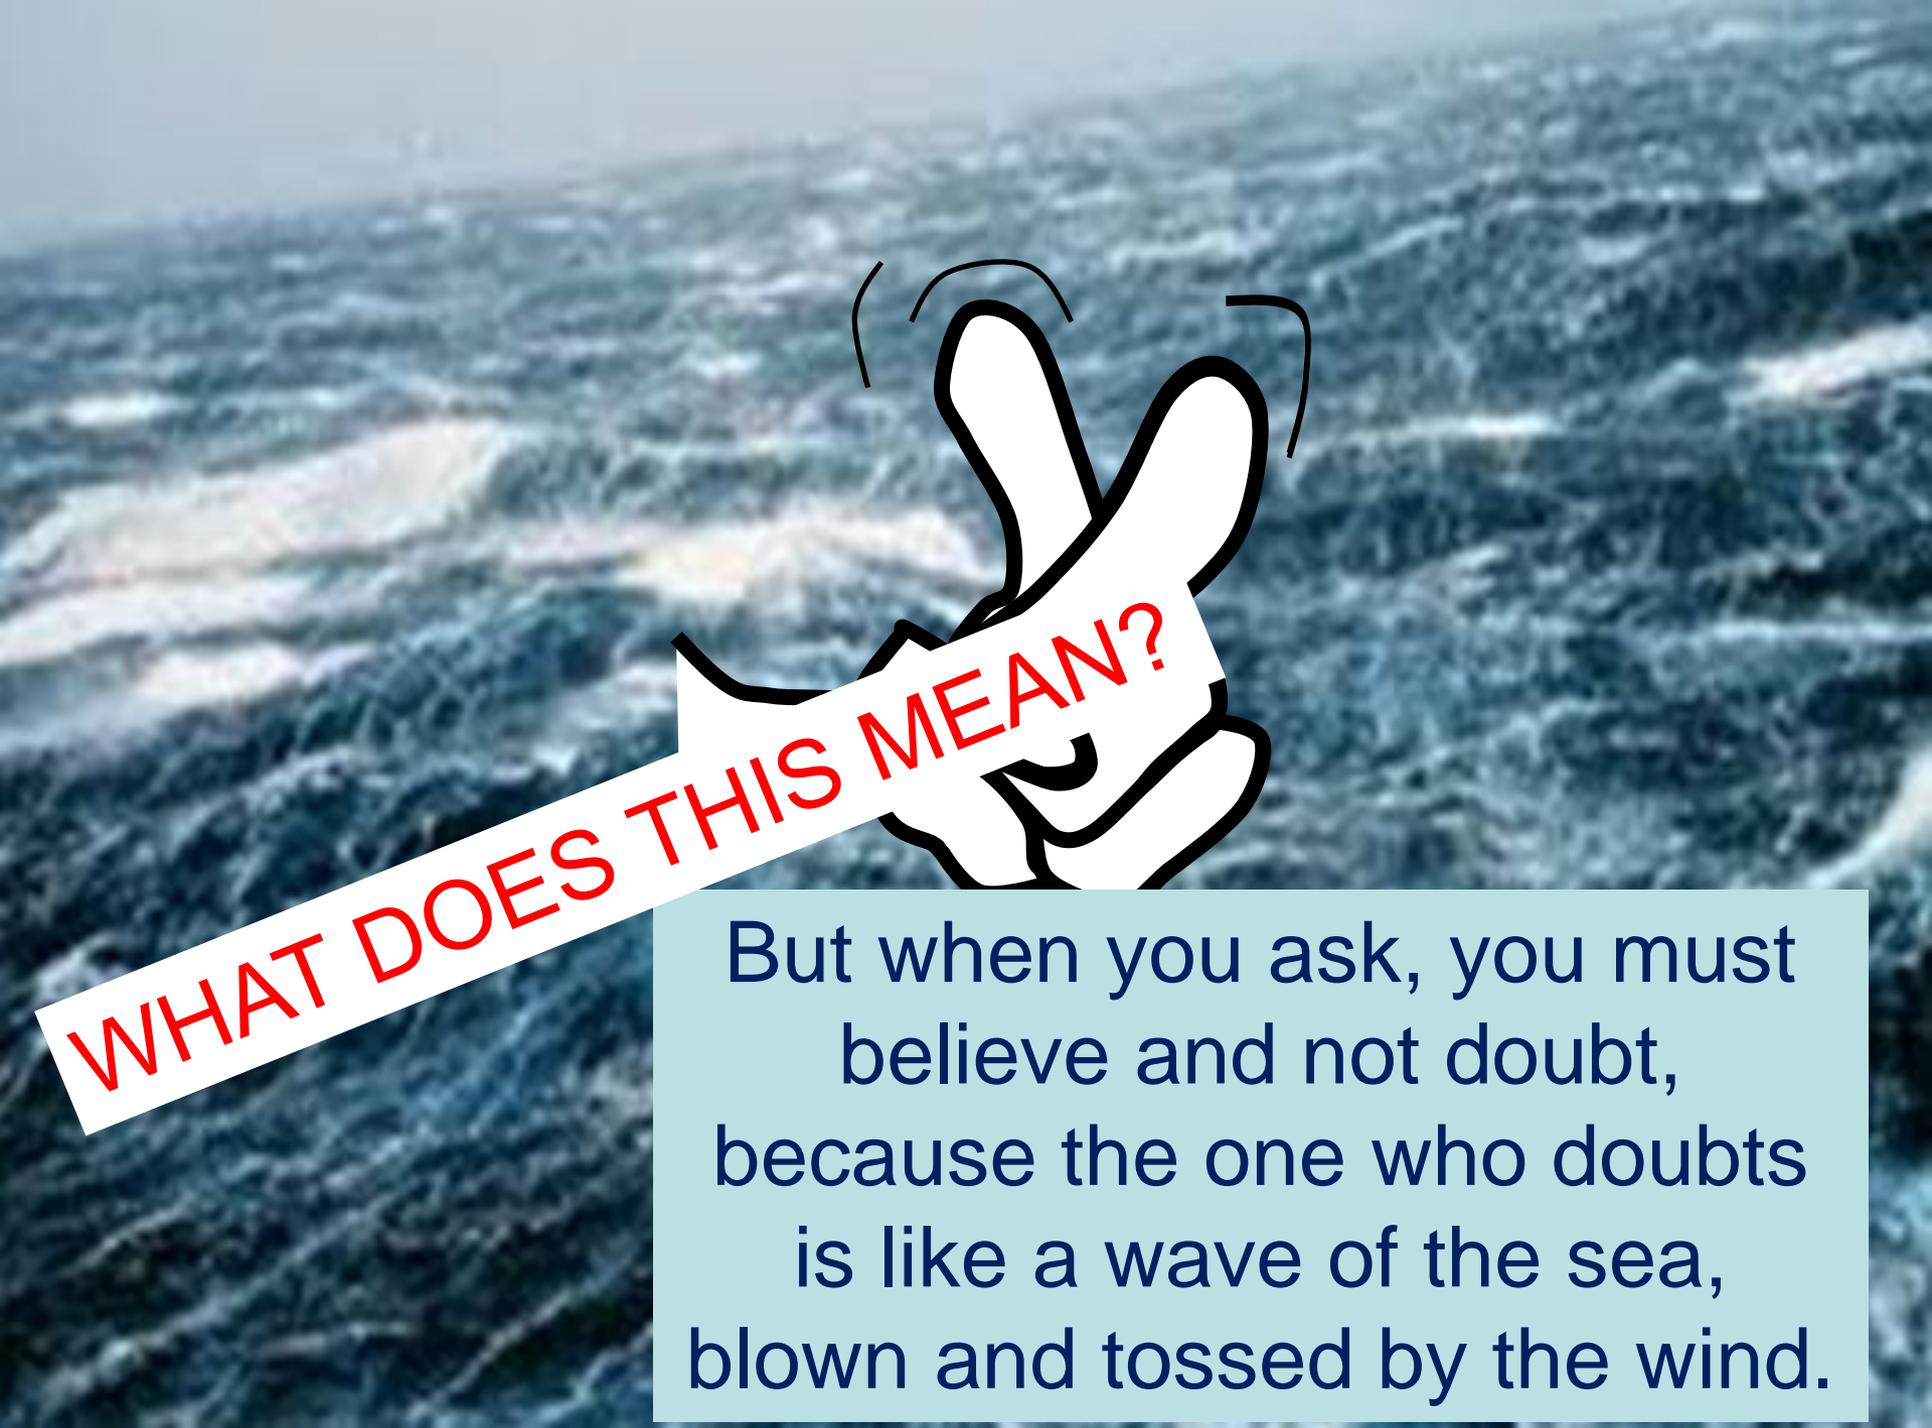

**During that time we will live life and be able to apply them!**

**WE can pray to God each time we need to do things and ask his advice... and the words of proverbs will guide our thoughts!**

Then, **our life experience and God's word will work together to increase our wisdom** (provided we have started out fearing God).

But when you ask, you must believe and not doubt, because the one who doubts is like a wave of the sea, blown and tossed by the wind.

WHAT DOES THIS MEAN?

But when you ask, you must believe and not doubt, because the one who doubts is like a wave of the sea, blown and tossed by the wind.

**That person should not expect to receive anything

unstable in all they do.**

What is double minded?

Are you good at hearing from God?

Perhaps we don't hear because we don't have God's words in our mind?

When we know what God has said he can bring it into our thoughts?

Perhaps as we help others, make decisions and help ourselves  
we need to actually DO what God says in his bible

.....which probably means reading some of it each day...

**DO WE DO THIS?**
